**About the Course:**

We will have weekly homework assignments, 3 in-class exams, and one final exam. Some homework components require MATLAB. Homework will be collected on fridays in class.

The course grade will be determined according to the following distribution

Three in-class exams:	100 pts each
Daily Homework:	150 pts
Final Exam:	200 pts
<hr/>	
Total :	650 pts

You are strongly encouraged to collaborate with other students on the homework. However, you must hand in each solution in your own handwriting and your own words.
