The purpose of this evaluations is to provide anonymous feedback for your instructor so they can work to improve the course this semester and in future semesters. Your honest responses to the following questions will only be read by your instructor and are very much appreciated. Thank you for taking the time to fill out this survey. **NOTE: Please do NOT write your name on this!**

1) Do you find the pace at which the course is taught to be appropriate? Are there parts that are too fast or slow?

2) Do you feel the instructor is approachable when you have questions?

3) Do you feel comfortable asking questions, or responding to questions asked during class?

4) What elements of the course do you find most helpful for your understanding? Examples: group work, asking questions, lecture, homework, textbook, CAPS (tutoring), etc....

5) What elements of the course have you found the least helpful for your understanding?

6) How do you feel about the difficulty of questions on the tests/exams as compared to those presented in class, the text, and homework assignments?

7) Any other comments about your instructor, the text, homework, or the class in general? (please use the back of the page if necessary).
