

HW Reports

Required:

1. First page of your report must be a **cover page** like this:

2. **No Appendix!** Do not put any appendix in your report.

3. **Organize** your report according to the order of questions.

3A. Second page must start with question #1. Then continue with questions #2, #3, etc.

3B. Within each question start with part (a), then continue with part (b), (c), etc., if applicable.

3C. Suppose question #2 part (c) asks you to plot a figure by Python. You will need to put the Python-produced figure in the correct place which is after part (b) and before part (d) in question #2.
