Makeshift MaLL Operation

On Tuesday, January 9, 2018 and Wed, January 10, 2018, the current MaLL location will be inaccessible due to computer replacement. We will operate from a temporary location in the second lower level basement of the Centennial Engineering & Science Library (one floor below the MaLL level) in room LL-253. Computers will be available in that room for test taking as well as doing ALEKS topics. Tutors will be available to help. We will be open 9am-5pm. Bring a picture ID if you are going to take a test and show up 2 hours before closing (2.5 h for MATH 103 test).
