

Proposal for Hosting ACA 2027 at Hangzhou International Innovation Institute of Beihang University in Hangzhou, China

It is TIME for ACA to come to China!

1. **City:** Hangzhou, China

[Hangzhou](#), the capital of Zhejiang Province, is one of China's most picturesque and historically significant cities. Renowned for its stunning natural scenery, it is perhaps best known for [West Lake](#), a UNESCO World Heritage site that has inspired poets and artists for centuries. As a thriving hub for technology and e-commerce, home to giants like Alibaba, Hangzhou represents a dynamic fusion of China's rich past and its innovative future.

Transportation:

- 30 direct international flights, including to Dubai, Seoul, Singapore, Tokyo
- Transfer in Beijing: 2-hour flight
- Transfer in Shanghai: 2.5 hours by car from Shanghai Pudong Airport

Hangzhou's location

West Lake at night

2. **Venue:** Conference Center, [Hangzhou International Innovation Institute of Beihang University](#)

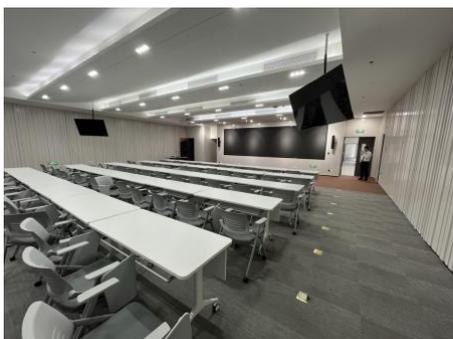

Address: No. 166 Shuanghongqiao Street, Pingyao Town, Yuhang District, Hangzhou, China

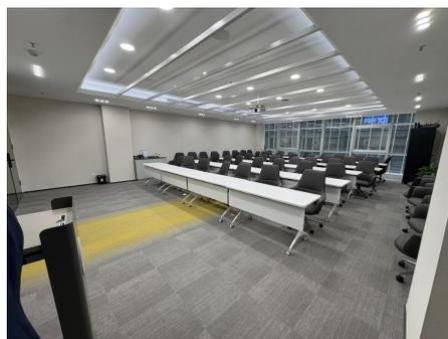

Brand new international campus

Conference Hall * 1: 350 persons

Medium rooms * 2: 80 persons

Small rooms * 6: 40 persons

We may need the conference hall for plenary talks and 2 medium + 3 small conference rooms for the daily talks.

3. **Local Team:** The [Sino-French Laboratory for Mathematics](#) in International Research Center for Mathematics and Interdisciplinary Sciences in Hangzhou.

The team will be led by Chenqi Mou and Ilias Kotsireas, supported by secretaries and faculty members in the laboratory and PhD students in the team of Computer Mathematics. The local team, originated from the [cc4cm team](#) in the Beijing campus of Beihang University, is very experienced in organizing international conferences.

4. **Important Information**

- Dates (preliminary): July 5-9, 2027, better next to ISSAC 2027 in Japan
- Registration fees: about 250 euros, including materials, coffees, lunches, dinners, and banquet.
- Lodging: [Narada Resort & Spa Liangzhu Hangzhou](#) (main), 50-60 euros (our special deal) for spacious rooms, and transportation will be arranged between the hotel and conference venue.

- Excursion: Guided group tour to the West Lake and [Lingyin Temple](#), extra fees may be needed.
- Banquet: the location is not yet fixed, but it should be fine to find a good restaurant close to the West Lake.
- Financial support: the International Research Center for Mathematics and Interdisciplinary Sciences should be able to provide some financial support for invited speakers and student participants.
